CHARLOTTE, NORTH CAROLINA - August, 2012 - It was announced that Angel Medical Center has selected Enterprise Systems Corporation to perform major upgrades to its Avaya CS1000 Single Group system. The upgrade will include the replacement of card cages, new processors, SIP trunks and IP telephony additions.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking from Avaya, Enterasys, HP, Aruba, Dell and Ruckus; Security from Watchguard as well as cabling infrastructure.

ABOUT ANGEL MEDICAL CENTER

Angel Medical Center is a full service, nonprofit, Critical Access Hospital, located in Franklin, North Carolina. A continuous pursuit of quality is evident in healthcare services, state-of-the-art technology, and dedicated staff. Angel Medical Center's mission of providing health care to the community can be traced back to 1923. Over the years, there have been numerous changes to the hospital to both add and update the buildings and remain current with the latest technologies.
