HOUSTON, TEXAS - February, 2012 - It was announced that the Villa De Matel has selected Enterprise Systems Corporation to provide and perform comprehensive upgrades to its Avaya Meridian 1 systems. The systems will be upgraded to Avaya CS1000E and migrate approximately 500 TDM endpoints to IP. The switch fabric will be changed to IP. Additionally Enterprise Systems is to provide and deploy an Avaya Ethernet LAN utilizing ERS5600 series switching and segregating voice across VLAN.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking from Avaya, Enterasys, HP, Aruba, Dell and Ruckus; Security from Watchguard as well as cabling infrastructure.

ABOUT VILLA DE MATEL

We, the Congregation of the Sisters of Charity of the Incarnate Word, Houston, Texas are women religious serving within the Church as signs of God's presence in our world. Entrusted as we are with the mission of embodying the love of the Incarnate Word, we bear in mind that, whatever the form of our ministry, it is by means of our own lives that we witness most convincingly to the presence of Jesus Christ. We share our gifts in ministries of prayer, healing and education.

Based in Houston, Texas, we directly serve those in need in El Salvador, Guatemala, Ireland, Kenya and the United States

Villa de Matel is the Congregation's Motherhouse. Located in Houston, Texas, it serves as our home, place of worship and retreat, and a central gathering place.
