HOUSTON, TEXAS – June, 2013 – It was announced that Barbers Hill ISD has selected Enterprise Systems Corporation to provide a Ruckus Wireless LAN system. The solution will include 8 Ruckus centrally managed access points.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking from Avaya, Extreme, HP, Aruba, Dell and Ruckus; Security from Watchguard; licensed security camera/ surveillance/ access control; full disaster recovery and data center solutions as well as cabling infrastructure.

ABOUT BARBERS HILL ISD

Barbers Hill ISD is a suburban district encompassing 192.3 square miles in western Chambers County, Texas, strategically located at the intersection of Interstate 10 and State Highway 146. Its borders consist of the Trinity River on the east to Harris County line on the west; encompassing Trinity Bay on the south to Liberty County line on the North. This large area contains four distinct communities (Mont Belvieu, Old River-Winfree, Cove, and Beach City) brought together by a common bond: the school system.
