CHARLOTTE, NORTH CAROLINA – February, 2014 – It was announced that Novant Health has selected Enterprise Systems Corporation for a major upgrade of its Core Avaya Networking infrastructure. The upgrade includes the Virtual Services Platform (VSP) 7000 Data Center switch. Shortest Path Bridging (SPB) will be implemented as part of the solution and will result in significant monetary and time savings for applications rollout and support.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking from Avaya, Enterasys, HP, Aruba, Dell and Ruckus; Security from Watchguard as well as cabling infrastructure.

ABOUT NOVANT HEALTH

With advanced facilities, advanced medical treatments and procedures, as well as our highly qualified staff have distinguished Novant Health as a not-for-profit healthcare leader serving more than five million residents from Virginia to South Carolina.
