BATON ROUGE, LOUISIANA – June, 2014 – It was announced that St. Charles Parish Government has selected Enterprise Systems Corporation to provide an expansion to the Public Schools Avaya Networking infrastructure. The expansion will consist of the ERS 4548 series of switches. The solution will impact approximately 500 endpoints.

## ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking from Avaya, Enterasys, HP, Aruba, Dell and Ruckus; Security from Watchguard as well as cabling infrastructure.

## ABOUT ST. CHARLES GOVERNMENT

St. Charles Parish, one of the original 19 parishes of the territory of Orleans, was created in 1807 from the county of the German Coast. The "Cote des Allemands" or German Coast, begins 25 miles above the city of New Orleans and extends along both sides of the Mississippi River for 40 miles toward Baton Rouge. Today, this encompasses all or part of St. Charles and St. John the Baptist Parishes.
