CHARLOTTE, NORTH CAROLINA – February, 2016 – It was announced that Partners Behavioral Health has selected Enterprise Systems Corporation to provide Managed Services for its Shoretel communications system.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and Shoretel; Wired and Wireless Networking and SDN from Avaya, Hewlett Packard Enterprise and Aruba; Security from Watchguard and Alert Logic, data center class servers from Lenovo as well as cabling infrastructure.

ABOUT PARTNERS BEHAVIORAL HEALTH

Partners Behavioral Health Management's mission is to manage a publicly-funded healthcare system which addresses the mental health, substance abuse, and intellectual/developmental disability needs of citizens in our service area through a comprehensive network of community service providers. Partners ensures access to appropriate and individualized treatment that results in positive outcomes and good stewardship of public funds.
