HOUSTON, TEXAS – November, 2015 – It was announced that University of Colorado Health has selected Enterprise Systems Corporation to provide a Contact Center solution for the Health System for the Aurora, Colorado site. The solution includes 180 seat licensed Call Recording and WebRTC Contact Center/IVR by Voice4Net.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and Shoretel; Wired and Wireless Networking and SDN from Avaya, Hewlett Packard Enterprise and Aruba; Security from Watchguard and Alert Logic, data center class servers from Lenovo as well as cabling infrastructure.

ABOUT UNIVERSITY OF COLORADO HEALTH

University of Colorado Health is a partnership that combines Memorial Health System, based in Colorado Springs, Poudre Valley Health System, based in Fort Collins, and Denver metro-based University of Colorado Hospital. Separately, these institutions provide superior care to patients and committed service to the communities they serve.
