HOUSTON, TEXAS – April, 2016 – It was announced that a major manufacturer has selected Enterprise Systems Corporation to migrate its Avaya CS1000M Multi Group system and its CS1000E system into one Communications Manager system. Enterprise Systems will be providing engineering, installation and post cutover support to complete the project. Enterprise Systems will also be providing managed services for the Communications Manager. The project will impact approximately 1500 endpoints.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include Wired and Wireless Networking from Extreme Networks, Hewlett Packard Enterprise, Aruba and Arista Networks; cloud and premise based voice from Avaya, Mitel and ShoreTel; network security from Watchguard and Fortinet, servers from Lenovo and HP as well as cabling infrastructure, cameras and access control.
