CHARLOTTE, NORTH CAROLINA – January, 2010 – It was announced that Old Dominion Freight Lines (ODFL) has selected Enterprise Systems Corporation to upgrade its corporate Avaya Communications system to provide disaster recovery capability. The solution involves migrating the Avaya CS1000M SG to an Avaya CS1000E with a mandate for little to no downtime.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation services and supports Avaya voice and data solutions including CS1000, Communications Manager, CallPilot, Modular Messaging, Contact Center, IPOffice and BCM. Competencies include IP telephony (VoIP) LAN/WAN switching, security and wireless engineering and deployment.

ABOUT OLD DOMINION FREIGHT LINES

Established in 1934, ODFL's corporate office is located in Thomasville, NC. ODFL is one of the largest transportation companies in the United States with 204 service centers supported by 12,994 employees. ODFL services over 48,000 Direct Points with 5,191 tractor/trailers.
