CHARLOTTE, NORTH CAROLINA – March, 2010 – It was announced that Central Piedmont Community College has selected Enterprise Systems Corporation to supply up to nearly 1000 LGNortel endpoints to support integration to Microsoft OCS.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation services and supports voice and data solutions including such industry leaders as Avaya, ShoreTel, Siemens and HP. Competencies include IP telephony (VoIP) LAN/WAN switching, security and wireless engineering and deployment.

ABOUT CENTRAL PIEDMONT COMMUNITY COLLEGE

Central Piedmont Community College is an innovative and comprehensive college that advances the life-long educational development of students consistent with their needs, interests, and abilities while strengthening the economic, social, and cultural life of its diverse community.

The College accomplishes this purpose by providing high-quality, flexible pre-baccalaureate and career-focused educational programs and services which are academically, geographically, and financially accessible. This purpose requires a fundamental commitment to teaching and learning excellence within a supportive environment.
