HOUSTON, TEXAS – June, 2012 – It was announced that the Comerica Bank has selected Enterprise Systems Corporation to provide extensive changes to its Avaya CS1000 systems, including improving system management and disaster failover capabilities by collapsing systems into two regional zones.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking from Avaya, Enterasys, HP, Aruba, Dell and Ruckus; Security from Watchguard as well as cabling infrastructure.

ABOUT COMERICA BANK

Comerica Incorporated is a financial services company headquartered in Dallas, Texas, strategically aligned into three major business segments: the Business Bank, the Retail Bank, and Wealth Management. In addition to Texas, Comerica Bank locations can be found in Arizona, California, Florida and Michigan, with select businesses operating in several other states, as well as in Canada and Mexico. Comerica's reach extends beyond the U.S. border. Our presence in North America includes a wide variety of businesses and locations across the continent. Comerica Bank and subsidiaries comprise the Comerica Incorporated family, offering a broad spectrum of products and services to our customers.
