CHARLOTTE, NORTH CAROLINA – January, 2014 – It was announced that Central Piedmont Community College has selected Enterprise Systems Corporation to provide Managed Services for its Avaya LAN Ethernet infrastructure including Avaya ERS 5600 series switching. The Managed Services will cover approximately 700 endpoints.

## ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking from Avaya, Enterasys, HP, Aruba, Dell and Ruckus; Security from Watchguard as well as cabling infrastructure.

## ABOUT CENTRAL PIEDMONT COMMUNITY COLLEGE

Central Piedmont Community College is an innovative and comprehensive college that advances the life-long educational development of students consistent with their needs, interests, and abilities while strengthening the economic, social, and cultural life of its diverse community.

The College accomplishes this purpose by providing high-quality, flexible pre-baccalaureate and career-focused educational programs and services which are academically, geographically, and financially accessible. This purpose requires a fundamental commitment to teaching and learning excellence within a supportive environment.
