CHARLOTTE, NORTH CAROLINA – June, 2013 – It was announced that the City of Gastonia has selected Enterprise Systems Corporation to provide and deploy a major expansion to its Avaya Networking infrastructure. The expansion includes Avaya's Virtual Services Platform (VSP) VSP 7024 and VSP 4850 series switches affecting approximately 500 users. Enterprise Systems will be deploying Shortest Path Bridging (SPB), greatly simplifying systems management.

## ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking from Avaya, Extreme, HP, Aruba, Dell and Ruckus; Security from Watchguard; licensed security camera/ surveillance/ access control; full disaster recovery and data center solutions as well as cabling infrastructure.

## ABOUT GASTON COUNTY

Gaston County is located in the South-Central Piedmont of North Carolina. As part of the Charlotte Region, Gaston County offers a slower paced life with all the excitement of the big city right next door. Our moderate climate and natural resources provide an abundance of recreational activities for our residents and visitors. Add to that, outstanding schools, a world class hospital and a competitive market place and you'll find the quality of life in Gaston County is second to none.
