HOUSTON, TEXAS – April, 2015 – It was announced that the Greater Houston Partnership has selected Enterprise Systems Corporation to provide Managed Services for GHP's Avaya voice and networking solutions. The solutions include an Avaya Aura Communications Manager, Aura Conferencing, Aura One-X Mobile, Siper SIP Session Border Controller and Avaya high performance Networking.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking from Avaya, Extreme, Hewlett Packard Enterprise, Aruba, and Dell; Security from Watchguard and Palo Alto, servers from Lenovo, Dell and HP as well as cabling infrastructure.

ABOUT GREATER HOUSTON PARTNERSHIP

The Greater Houston Partnership is dedicated to building regional prosperity, advocating for critical policy issues, advancing job growth through attracting and retaining business, and capital investment in world trade, and leading the broader community discussion related to positioning Houston as a top global city. These core values are underpinned by a world-class research function, public relations function and servicing an engaged membership through outstanding programs, benefits and services.

The 10-county Houston region served by GHP encompasses Austin, Brazoria, Chambers, Fort Bend, Galveston, Harris, Liberty, Montgomery, San Jacinto and Waller counties.
