CHARLOTTE, NORTH CAROLINA – June, 2015 – It was announced that the UNC Health Care has selected Enterprise Systems Corporation to provide Managed Services for its Avaya Core and Edge Data Networking solution. The solution includes Managed Services for its Avaya Core and Edge Ethernet Switching infrastructure supporting approximately 2500 endpoints.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking from Avaya, Extreme, Hewlett Packard Enterprise, Aruba, and Dell; Security from Watchguard and Palo Alto, servers from Lenovo, Dell and HP as well as cabling infrastructure.

ABOUT UNC HEALTH CARE

UNC Health Care is a not-for-profit integrated health care system owned by the state of North Carolina and based in Chapel Hill. Originally established Nov. 1, 1998, by N.C.G.S. 116-37, UNC Health Care currently comprises UNC Hospitals and its provider network, the clinical programs of the UNC School of Medicine, and seven affiliate hospitals and hospital systems across the state.
