CHARLOTTE, NORTH CAROLINA – January, 2016 – It was announced that the City of Gastonia has selected Enterprise Systems Corporation to provide a major expansion to its Avaya Networking infrastructure. The expansion includes the Avaya 3500 and 4800 series of switches and will include migration to Shortest Path Bridging (SPB), the industry leading Software Defined Networking architecture.

## ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking and SDN from Avaya, Hewlett Packard Enterprise and Aruba; Security from Watchguard and Alert Logic, data center class servers from Lenovo as well as cabling infrastructure.

## ABOUT GASTON COUNTY

Gaston County is located in the South-Central Piedmont of North Carolina. As part of the Charlotte Region, Gaston County offers a slower paced life with all the excitement of the big city right next door. Our moderate climate and natural resources provide an abundance of recreational activities for our residents and visitors. Add to that, outstanding schools, a world class hospital and a competitive market place and you'll find the quality of life in Gaston County is second to none.
