CHARLOTTE, NORTH CAROLINA – November, 2015 – It was announced that WakeMed Health & Hospitals has selected Enterprise Systems Corporation to provide managed services for its core and edge network. The managed services include the Avaya 8600 series core and 5600 series edge solution.

## ABOUT ENTERPRISE SYSTEMS CORPORATION

Enterprise Systems Corporation is a full service Technology Partner, providing consulting, deployment and managed services. Technology products and services include premise and cloud based Voice from Avaya, Mitel and ShoreTel; Wired and Wireless Networking and SDN from Avaya, Hewlett Packard Enterprise and Aruba; Security from Watchguard and Alert Logic, data center class servers from Lenovo as well as cabling infrastructure.

## ABOUT WAKEMED

Founded in 1961 as the Memorial Hospital of Wake County, today WakeMed Health & Hospitals is a three-hospital, 919-bed private not-for-profit health system based in Raleigh, North Carolina. They are committed to improving the health and well-being of the community by providing outstanding and compassionate care.
