CHARLOTTE, NORTH CAROLINA – June, 2016 – It was announced that a Major Medical Center has selected Enterprise Systems Corporation to provide an expansion to its Spectralink Wireless Handset Solution. The expansion includes the Spectralink 8440 handsets. The 8440 handsets offer advanced functionality such as text alerts and instant messaging, fully-integrated push-to-talk functionality, on-board Web browser and standards-based developer environment. The handsets are also ruggedized with reinforced cage design, component shock mounting and rubberized over molding.

ABOUT ENTERPRISE SYSTEMS CORPORATION
